Hi Joseph,

As per our telephone conversation today,  
I am writing to allow correspondence to be emailed regarding  
Application 10/757,018.

Thank you so much for helping us with our patent application. This  
is the  
first time since we started this long process that an examiner was  
willing to assist in a  
positive way.

We look forward to receiving your input on a Claim.

Thank you again,  
Sharon Tarantino
